Dear Valued Customers,

Dix Metals is open and operating out of our California facility during the COVID-19 outbreak as critical manufacturing to support the infrastructure of American industry. We are committed to providing the best level of service and the superior quality you have depended on for over 45 years.

As this outbreak continues to impact many aspects of our personal and professional lives, Dix Metals remains committed to our customers, our employees, and our suppliers. We are monitoring and following guidelines from the CDC and local and national authorities to maintain a clean and healthy environment for our employees. We are collaborating remotely with customers and suppliers to avoid delays in our supply chain and production.

By pulling together during these difficult times, Dix Metals and our customers across industries will come out stronger. We thank you for your continued support of our business and look forward to serving you.
